FOUNDATION

## 2026 NNCCF ANNUAL EVENT SPONSORS

Northern Nevada Children's Cancer Foundation (NNCCF) has provided Help, Hope, and Courage to local families affected by childhood cancer for 26 years. It is the only nonprofit in the region solely dedicated to childhood cancer.

Each year, NNCCF helps **approximately 160 local children** with needs such as medical, emotional, household, educational, and travel expenses related to treatment. In total, NNCCF has provided more than **\$12 million in direct financial assistance** to families.

As we continue to raise funds for children battling cancer in our community, the need for financial and emotional support continues to rise, with NNCCF providing a 127% increase in financial support in the last 4 years.

### OUR MISSION

It is our mission to enhance the quality of life for children with cancer and their families by providing financial assistance and compassionate support programs, all while advocating for increased research funds and raising public awareness.
